(C) In case may both the examiners reject the thesis or one of them rejects the thesis and the other recommends a revision of the thesis then the thesis shall be rejected.

(D) If both the examiners recommend for the revision of the thesis, the candidate shall be called upon to revise the thesis in the light of the observations of the examiners.

(E) If one examiner approves the thesis and the other rejects it or recommends for revision of the thesis then the thesis shall be sent to the third examiner drawn from the panel of examiners approved by the Vice Chancellor.

(F) In case both the original examiners accept the thesis for the award of the Ph.D. degree or in the event of it being referred to the third examiner, and the third examiner accepts the thesis for the award of the Ph.D. degree, then the candidate shall be called upon to appear at the viva-voce examination before a board of examiners comprising the supervisor, co-supervisor(if any) and one of the two examiners (selected) by the Vice Chancellor who have accepted the thesis for the award of the Ph.D. degree. Provided that the Vice Chancellor shall appoint head, department/school of studies or Chairman, board of studies of the subject concerned to act as viva-voce examiner, in place of the supervisor in case the candidate is related to the supervisor.

(G) The supervisor/head, University teaching department/school of studies, as the case may be, shall be communicated the name of the external examiner appointed by the Vice Chancellor to conduct the viva-voce examination. The date fixed in consultation with the external examiner for the viva-voce shall be informed to the candidate and to the Registrar.

Provided that in special circumstances the Vice Chancellor may appoint alternate viva-voce examiner if both the examiners are not in a position to conduct the viva-voce examination.

(H) The viva-voce examination shall be conducted at the University Teaching Department/School of Studies in the Subject or at any place fixed by the University for the purpose. The date, time and place or viva-voce examination shall be notified by the Registrar on the University Notice Board at least a week in advance. At the time of viva-voce examination the board of examiners shall be provided the reports of the examiners which shall be returned along with report of viva-voce examination to the Registrar.

The candidate shall present the work embodied in the thesis to the board of examiners, members of faculty, research scholars and other interested persons. After the presentation of the research work the Board or LCD shall ask questions together with those questions which have been given along with examiners reports. Others in the audience may also ask

questions and the candidate shall reply only those questions which are permitted by the external examiner.

In case the recommendation of the viva-voce examiners differ from that of the thesis examiner or there is difference of opinion between the viva-voce examiners, the candidate shall reappear at a second viva-voce examination within six months. If the candidate fails to satisfy the viva-voce examiners a second time, his/her thesis shall be finally rejected.

Such candidates would be required to pay an additional fee of Rs. 10,000/- for second viva-voce. The external examiner for second viva-voce shall be appointed by the Vice Chancellor.

(I) The thesis shall be published only with permission of the University and such publication shall state on the title page itself that this was a thesis approved for the award of the Ph.D. Degree of the University.

(J) After the viva-voce, the recommendation of the examiner shall be reported to the BOM for the award of Ph. D. Degree to the candidate. One copy of the thesis will be kept in the University Library and another copy will be kept in the Departmental Library of the Institute where the research work was carried out, and One copy along with CD will be sent to UGC.

(K) After the declaration of the result the successful candidates may be provided the copies of reports of examiners who recommended for the award of the degree on payment of fee of Rs. 2000/-. The reports will not disclose the identity of the examiners.

(L) On detection of any irregularity, the University may take suitable steps to withdraw the degree.
